You may choose to provide additional information as well, such as your postal address or fax number.

Non Personal Information

We may collect certain aggregate and non personal information when you visit this web site. Aggregate and non personal information does not relate to a single identifiable visitor. Cookies

Like many companies, we may use browser cookies on this web site. Browser cookies are bits of text that are placed on your computer's hard drive when you visit certain web sites. Browser cookies may enhance your online experience by saving your preferences while you are visiting a particular site.

The "help" portion of the toolbar on most browsers will tell you how to stop accepting new browser cookies, how to be notified when you receive a new browser cookie, and how to disable existing browser cookies. Remember though, without browser cookies, you may not be able to take full advantage of all our web site features.
